

# ENBORNE & HAMSTEAD MARSHALL GARDEN SOCIETY

## SUMMER GARDEN MEETING

at **ENBORNE VALLEY FARM, HAMSTEAD MARSHALL**

(by kind invitation of Andy Pocock)

on **Wednesday, 2nd JULY 2025 at 7.30 p.m.**

We were last invited by Andy Pocock in 2019 and it will be so nice to return there. It is set in a lovely position.

The Pocock Family have lived and worked in and around Enborne and Hamstead Marshall for at least 4 generations. From an early age, Andy and his sisters had their own gardens and this started his love of growing fruit, vegetables and flowers. He bought two fields at Holtwood in 1988 and moved from Vanners Farm. He built a new house, designing and creating a new garden from nothing to what it is today. The house is set above with views over the valley

For those with satnav, the postcode is RG20 0JH. From Newbury, continue up the hill past Craven Arms and bear right at the top. Approaching the triangle at Holtwood from Redhill, go straight on into Watery Lane (a board on tree on rhs saying Holtwood Studios as a guide). After about 350 yards and past various buildings and back to hedges each side, the entrance gate to Enborne Valley Farm is on your left immediately after a Z bend warning sign. Plenty of parking at end of drive.
